

Business Gift Certificate & Prize Donation Receipt

Last year many companies contributed prize donations. Your donation of merchandise, a gift certificate, or free services from your business is an innovative way to build immediate interest in your company, attract the attention of event attendees and promote your business. Items will be used in/as Raffle Items, Silent Auctions or Prizes for games and contests at our events.

- ✿ Examples might include airline tickets, tickets to events, a complimentary weekend at a hotel or resort, restaurant certificates, gift basket or merchandise certificates, dog toys, treats, gift certificates for movies & events – fun items that promote your organization
- ✿ You could also “Sponsor” a specific Game, an entire Raffle Basket or even a Contest such as our Look-A-Like Contest.
